About Athlete:

When somebody describes Darko, he must say that he is great fighter as a player, and a player who likes to play with contact in attack. He is a Typical center who mostly plays inside. Makes strong and efficient blocks to his teammates. Play high low post and pick and roll with great success. In defence he can often get in front of his opponents (not allowing them to receive the ball). Can play with pressure. Due to his great mobility, he can guard player on position 4 and 5.
