Marko is tall, strong and attractive player. As any center he is playing on low post, where he mostly scores. He likes contact play and 1 on 1. He scores from the distance also, and his distance shoots are always rational. He can play as modern power forward with his face on the opponent, where he uses his right and left hand equally good and finishes strong. One of his specials is shooting from three point line where he shoots and scores with great confidence.
